STATE BOARD OF MEDICAL EXAMINERS

IN THE MATTER OF THE LICENSE OF

GILBERT B. WILSHIRE, M.D.

Administrative Action

LICENSE NO.: 25MA05365000

ORDER GRANTING UNRESTRICTED
LICENSURE

TO PRACTICE MEDICINE AND SURGERY :
IN THE STATE OF NEW JERSEY

This matter was first opened to the State Board of Medical Examiners. ("Board") in September 3, 1999 upon the filing of a Consent. Order, pursuant to which Gilbert B. Wilshire, M.D., voluntarily surrendered his license to practice medicine and surgery, due to a substance abuse problem. On October 22, 2003, Dr. Wilshire appeared before the Preliminary Evaluation Committee of the Board and petitioned for unrestricted licensure. David I. Canavan, M.D., Medical Director Emeritus of the Physicians' Health Program, ("PHP") testified that Dr. Wilshire has demonstrated solid recovery since April 12, 2002 and that all urine screens since that date have been negative for the presence of psychoactive substances. Dr. Wilshire also testified that he has been drug-free since April 12, 2002 and that he had successfully completed the

CERTIFIED TRUE COPY

treatment program at the Harrison House of Virginia. Dr. Wilshire also testified that he participated in an aftercare program which consisted of two aftercare group meetings per week and bi-weekly sessions with a therapist approved by the Virginia counterpart to the PHP. At present, Dr. Wilshire is employed as the Medical Director of a technology company in Virginia, where he resides.

The Board having determined that Respondent has been totally compliant with the Consent Order of Surrender his license dated September 3, 1999, and that the within disposition is adequately protective of the public health, safety and welfare,

IT IS, therefore, on this 14th day of March, 2004,

ORDERED THAT:

1. Gilbert B. Wilshire, M.D.. is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.
